3rd Wish, Baby Bash  
Te Quiero Mucho  
Son las cinco en la mañana  
Y no he dormido nada  
Just thinking about your beauty, got my crazy in the head.  
El Insomnio es mi castigo  
Tu amor sera mi alivio  
Until You're in my arms, girl I have no peace in bed.  
It's five o'clock in the morning  
I can't get no sleep  
When I think about your beauty it makes me weak  
I lay restless at home, without you there  
Until you are mine, I find no relief (Ooh)  
[Chorus]  
Amor, Si es amor  
Your love's got me feeling obsessed in my soul  
Si es amor  
And not an Illusion  
That makes me do things, that my heart Can't control.  
I Know you're not my lady  
But I'm full of hopes and maybes  
And until your love can save me  
Solo puedo hablar de ti  
Saw you with your "Amigo"  
Girl he don't look so "Rico"  
No Sabe complacerte, como lo haria yo  
It's five o'clock in the morning  
I can't get no sleep  
When I think about your beauty it makes me weak  
I lay restless at home, without you there  
Until you are mine, I find no relief.  
Amor(Si es amor)  
Si es amor (Si es amor)  
Your love's got me feeling (your love's got me feeling)  
Obsessed in my soul  
Si es amor  
And not an Illusion  
That makes me do things, that my heart Can't control.  
[Baby Bash]  
When it feels so right and I don't care what people say  
After I grab the lotion, grab the blanket take a trip to

Monte Rey  
We can, do it on the beach, cause you know, how we  
goin' do  
We goin, act a fool, even when we run it cool  
Put on your favorite dress  
Let's impress the town a lotta  
Got the gucci bag oops my mistake  
You stunt that Prada - yada  
Yadada Im saying  
Yadada I mean  
Yadada I holla  
And I'm so proud to say one day I'll be your baby's  
father (You fine)  
[3rd Wish]  
Es Amor, Es Amor (Te Quiero Mucho)  
Es una Obsession (Es una obsesion)  
Es Amor, Es Amor (3rd Wish)

Your love's got me feeling (your love's got me)  
Obsessed in my soul  
Si es amor

That my heart can't control
