Let's keep it on the cool
It's between me and you
It's the freaky things we do
'Cause baby I like it, I like it

Let's keep it on the cool
If they all laugh at you
The little things you do
'Cause baby I like it, I like it

It wasn't no love at first sight
It was sex on the first night
How could it be so wrong
When it felt so strong, it felt so right?

I like the way you back it up
'Cause yo chulo ain't no punk
Get it crunk, get it crunk
From the back to the front, any way you want

Smoking, laughing, telling jokes
Smashing, riding on blades and spokes
Tell them we just friends
But you and I know, what's really though

You take me on your odyssey
Keep the drama off of me
You love to get on top of me
When I get you wet and watery

We sizzo and uh, we doin' our thug thizzo'
But yo friends don't know
We'll keep it low
And talk at the club a little

When you drop 'em off at home
Get Beeshy on the celly
And I'll be at the telly
Honey be all ready

Let's keep it on the cool
It's between me and you

It's the freaky things we do
'Cause baby I like it, I like it

Let's keep it on the cool
If they all laugh at you
The little things you do
'Cause baby I like it, I like it

Well now they think they know the deal
But they don't have a clue
The things we do, me and you
Got to keep it tight on the cool

Down low on a hush
Take our time don't need to rush
You in my mind like cannabis
With the freaky way you make me bust
Freaky deaky every time you see me
You best believe me
I'ma lick you down with berries and cream
You lick me with that wine and kiwi

You know it's nathin'
To keep that gossip off of baking
That's why we shaking
Them hatas spreading information

If only I knew then what I know now
Things coulda been a little different
But as it stands
I got a girl at home already on suspicion

But I want my cake and eat it too
Wanna be with her I wanna be with you
You telling me that you need it too
Let me tell you what we fixed to do

Let's keep it on the cool
It's between me and you
It's the freaky things we do
'Cause baby I like it, I like it

Let's keep it on the cool
If they all laugh at you
The little things you do
'Cause baby I like it, I like it

Ooh wee, I love it when you freak it like that
Ooh wee, on the cool, coming through from the back
Ooh wee, I love to watch you dance on my lap
Ooh wee, uh ooh wee

Uh ooh wee

You love to see your daddy roll up
Ooh wee, going hard in the paint hold up
Ooh wee, them people in yo business so what
Ooh wee, ooh wee

Let's keep it on the cool
It's between me and you
It's the freaky things we do
'Cause baby I like it, I like it

Let's keep it on the cool
If they all laugh at you
The little things you do
'Cause baby I like it, I like it

(Oh yeah, one time, so quick, how quick so quick)
Baby, I like it, uh, I like it, oh yeah, oh yeah
(Uh, sho, fo-fo'sho, fo-fo-fo'sho, fo'sho)
