

Baby Bash "Step In Da Club"

Visit "[Step In Da Club](#)" on MotoLyrics.com

Step in the club like it ain't no thang
Sittin' at the bar while I sip on dranks
Girl wanna holla tryin' to run that game
I just wanna freak that, ain't got no shame
Step in the club like it ain't no thang
Sittin' at the bar while I sip on dranks
Girl wanna holla tryin' to run that game
I just wanna freak that, ain't got no shame

I'ma blast off like a damn Houston Rocket
Roll around town with some dank in my pocket
Grandma say, "Ronnie Ray, you need to stop it"
Punk bootleggers man they fuckin' off my profit
Dip up in the club and she eye ballin' me
Remind me of the breezy from Terminator III
Thinkin' nasty, she the whole extravaganza
Gloss when I floss I'm the boss like Tony Danza

Puttin' hands on muthafuckas actin' up
Give me fifty feet, betta back tha fuck up
Me and Juan Gotti smashin' outta T-town
Lookin' low G gotta fool beat down

Step in the club like it ain't no thang
Sittin' at the bar while I sip on dranks
Girl wanna holla tryin' to run that game
I just wanna freak that, ain't got no shame
Step in the club like it ain't no thang
Sittin' at the bar while I sip on dranks
Girl wanna holla tryin' to run that game
I just wanna freak that, ain't got no shame

Downtown Super Bowl 38
In the clutch city ya know filfthy movin' weight
In case it get to state keep me in a G manner
All my homies roll like Tony Montana
Listen to the law, jappa jaw on the scanner
Sippin' purple hawk started bangin' David Banner
Money in the Benz but I'm layin' in the Lac
Stomach so swole throwin' up in the back

She was fine, yes sir, she was trill

Plus she had a pocket full of colorful pills
Puttin' heat through yo whole crew flannel
Cookin' them chickens put me on tha Food Channel
Roll with tha pimps, oh nah I'm not a balla
Sell up on those cities like a blue night crawler
Call her on the celly, work my jelly meet the mami at
the telly
Roll a fatty, jump in tha ride and disappear like
Makaveli, say what

Step in the club like it ain't no thang
Sittin' at the bar while I sip on dranks
Girl wanna holla tryin' to run that game
I just wanna freak that, ain't got no shame
Step in the club like it ain't no thang

Sittin' at the bar while I sip on dranks
Girl wanna holla tryin' to run that game
I just wanna freak that, ain't got no shame

Man I step in tha club like it ain't no thang
I'm valet parked been drankin' all day
Paparazzi takin' pictures and tha haters lookin' mad
But the boppers showin' love and I'm signin'
autographs
Bartender know me and he know I do tha fool
E'ry body in my ear and I'm like who is you?
Give me fifty Hennessy's on tha rocks for these boys
Can't stand male groupies move around with that noise

I'm tryin' to sit down and roll up and get blowed
Find somethin' I can take back to tha mo-mo
Like that right there you lookin' good no doubt
What you got under that skirt, girl whatchu talkin'
'bout?
I'm waitin' for my boys downstairs to get done
They wouldn't let me on stage they said I was too drunk
But it's about to be two girl, tell me if you're ready
Let's sip champenge in my jacuzzi at the telly

Step in the club like it ain't no thang
Sittin' at the bar while I sip on dranks
Girl wanna holla tryin' to run that game
I just wanna freak that, ain't got no shame
Step in the club like it ain't no thang
Sittin' at the bar while I sip on dranks
Girl wanna holla tryin' to run that game
I just wanna freak that, ain't got no shame

My cup got syrup in my soda
I don't give a fuck don't tip my shit ova

Six bad bitches sittin' in a Range Rova
Paul got 'em all lookin' ova they shouldas
Chuggin' on dro got smoke in my windpipe
Always wanna know bout my hoes and my pimp life
Nigga what it is what it was what it been like
Can I get a chickenhead shake and some french fries?

Pants so skin tight man so freak like
Notch after notch in tha club on tha weeknight
Now she wanna go home, go to bed and sleep tight
Grab this Hennessey by the hair and make her speak
right

Step in the club like it ain't no thang
Sittin' at the bar while I sip on dranks
Girl wanna holla tryin' to run that game
I just wanna freak that, ain't got no shame
Step in the club like it ain't no thang
Sittin' at the bar while I sip on dranks
Girl wanna holla tryin' to run that game
I just wanna freak that, ain't got no shame
