I'll be your supa chic
I'll be your supa chic

Woo

One of them one's
J to the R
J to the R

Super duper, super bad, super fly
Super duper, super bad, super fly

Whatever you want, whatever you need
Call me, yeah
And I'll be there for you (as quick as can be)
I'll be your super chic
I'll be your super chic
I'll be your super chic
And I'ma be

Whatever you want, whatever you need
Call me, yeah
And I'll be there for you (as quick as can be)
I'll be your super chic
I'll be your super chic
I'll be your super chic
And I'ma be as quick as can be

I need a supa chic
Your love is supa sick
Your supa powers
They ain't know who they foolin' with

I need a supa chic
Your love is supa sick
Your supa powers
They ain't know who they foolin' with

Hold up, let's get it right
I ain't got no kryptonite
But I bet I spent a grip tonight
Let's dip and hit the strip to night

We only live once and we ain't pushin the daisies
__, put your cape on and save me
She said, "Shorty, where your body hurt?"
Fresh off Bath and Body Works
She smell so good and edible
Her super love is incredible
Them super villains gon' hate it
'Cause they love is overrated
Misery loves company
So I guess we keep them motivated

Look up in the sky
It's a bird, it's a plane
Your love is super strong that will never ever change

Now uh, oh, oh
Yeah-eh-eh-eh
Ne-eh-eh-ever

Whatever you want, whatever you need
Call me, yeah
And I'll be there for you (as quick as can be)
I'll be your super chic
I'll be your super chic
I'll be your super chic
And I'ma be

Whatever you want, whatever you need
Call me, yeah
And I'll be there for you (as quick as can be)
I'll be your super chic
I'll be your super chic
I'll be your super chic
And I'ma be as quick as can be

I need a supa chic
Your love is supa sick
Your supa powers
They ain't know who they foolin' with

I need a supa chic
Your love is supa sick
Your supa powers
They ain't know who they foolin' with

Now swanging, banging in the diamond lane
Keep paid off this rhyming thang
Candy-coated __
I keep my honeys shining, man
I'm looking for my supa chic
Driving around in my supa whip

Super tight and super thick
Hold me tight with that supa grip

Look up in the sky
It's a bird, it's a plane
Your love is super strong that will never ever change

Now uh, oh, oh
Yeah-eh-eh-eh
Ne-eh-eh-ever

Whatever you want, whatever you need
Call me, yeah
And I'll be there for you (as quick as can be)
I'll be your super chic
I'll be your super chic
I'll be your super chic
And I'ma be

Whatever you want, whatever you need
Call me, yeah
And I'll be there for you (as quick as can be)
I'll be your super chic
I'll be your super chic
I'll be your super chic
And I'ma be as quick as can be

I love my fenny, fenny
And you all ready, ready
I love my fenny, fenny
And you all ready, ready
I need my supa chic

I love my fenny, fenny
And you all ready, ready
I love my fenny, fenny
And you all ready, ready
I need my supa chic

I'ma be your get tonight
Promsie, boy, no kryptonite
I'ma set you free
You'll have a supa friend in need

Whatever you want, whatever you need
Call me, yeah
And I'll be there for you (as quick as can be)
I'll be your super chic
I'll be your super chic
I'll be your super chic
And I'ma be

Whatever you want, whatever you need
Call me, yeah
And I'll be there for you (as quick as can be)
I'll be your super chic
I'll be your super chic
I'll be your super chic
And I'ma be as quick as can be
