Oh bar  
What is it?

Move it up  
Drink it up  
Roll it up  
Shake it up

Move it up  
Drink it up  
Roll it up  
Shake it up

Money, sex, alcohol  
Shopping sprees at the mall  
Who wit' me?  
Who? Who?  
Who wit' me?  
Who? Who?

Mink coats, rabbit furs  
Anything that she prefers  
Who wit' me?  
Who? Who?  
Who wit' me?  
Who? Who?

Candy thangs, switching lanes  
Kron grills and wood brains  
Who wit' me?  
Who? Who?  
Who wit' me?  
Who? Who?

Love peace, chicken grease  
In the club or in the streets  
Who wit' me?  
Who? Who?  
Who wit' me?  
Who? Who?

You must be dumb or blind

If you can't see my kind  
Sharp as a porcupine  
We off the party line

I'm so electrified  
I'm so electrified  
I'm so, I'm so, I'm so, I'm so  
I'm so electrified

You know there's nothing to it  
Where the hell you goin'? Stupid  
We off them trees, honey bees  
With that duel fluid

Across the river  
Above the clouds  
It's where you find me wit' my people  
Is what I'm talkin' 'bout

Money, sex, alcohol  
Shopping sprees at the mall  
Who wit' me?  
Who? Who?  
Who wit' me?  
Who? Who?

Mink coats, rabbit furs  
Anything that she prefers  
Who wit' me?  
Who? Who?  
Who wit' me?  
Who? Who?

Candy thangs, switching lanes  
Kron grills and wood brains  
Who wit' me?  
Who? Who?  
Who wit' me?  
Who? Who?

Love peace, chicken grease  
In the club or in the streets  
Who wit' me?  
Who? Who?  
Who wit' me?  
Who? Who?

Heaven's the mother troad  
Clovers and blue diamonds  
I don't know what the hell I'm sayin'  
But I'm still rhyming

And I'm so ultra fly  
Ultramagnetic fly  
This vodka wit' this red bulls  
Got me energized

U G L Y  
You ain't got no alibi  
You ugly  
You ugly

U G L Y  
You ain't got no alibi  
You ugly  
You ugly

Let me see you sweat  
Let me see you drip, yeah  
Let me see you sweat
