[Intro - Akon & Baby Bash]

Hoooo

Said everything that you want me to I'll do it

Tell me what the word is already [x4]

[Chorus - Akon]

Don't look no farther!

Baby im back (yeah)

I'm here to cater to you (anything you want me to, I'll do it)

Cause I'll be your lover (ill be your lover)

Ill be your best friend

Tell me what I gotta do (tell me what I gotta do and I'll do it)

[Baby Bash]

Now im back in a flesh

Feelin so blessed, back in your corner suga, suga don't stress

Forget about the rest; let's go inside, im back in your zone

Baby im back in your vibe, now I can't be denied I can lie im on ya

I never ever wanna say sayonara

Some body told me that the grass was greener

On the other side andale arriba

Never really used to be a mean to cheat her

What I gotta do to be your keeper

These words comin out the speaker, true love is off the meter

[Chorus]

[Baby Bash]

I was gone for a minute but now im home,

Please forgive me for being a rolling stone,

Please forgive me let me polish it up like chrome,

Get off the phone till he swears to leave me alone,

Let my spark your interest, now there's no more dating on the internet,

Cause you already know how I get it wet, how I get it so

saucy and I get respect,
You don't have to look no farther, you dealin with the
whole enchilada
You don't have to look no farther, you hotter then a fire
starter

[Chorus]

[Baby Bash]

I was gone for a minute, (oooohhh) [repeat x4]

Now im back let me hit it (oooohhh) [repeat x4]

[Chorus x2]
