Let's go  
You can do it like  
You can do it like  
You can do it like  
You can do it like

[CHORUS]  
You can do it like this  
Or do it like that  
Do it like this  
Or do it like that  
Do it like this  
Or do it like that  
Do it like this  
Just gon and bring it back  
Bring it back

You can do it like this  
Or do it like that  
It dont matta how you do it  
Baby bring it back  
Put ya hands in the air  
Show me where ya at  
Best believe a nigga tryna get behind that  
You can rock like this  
Or your can make it twirk  
No questions just look at my wrist and you'll know what  
im worth  
Now i got you in the mix  
Gon and make it work  
Who said im throwin money?  
Somebody like to hurt  
Look

I dont play no games  
And i dont take no shit  
So if ya thinkin beef  
Then go on and get ya click  
If you aint know  
We deep off in this bitch  
O.T.T.  
Straight mob shit

You see im tryin to find a chick to go home with  
You know, the type to do her thang on the magic stick  
I said the type to do her thang on the magic stick  
You can do it like that  
Or you can do it like this

[CHORUS X2]

You can do it like this  
Or do it like that  
Do it like this  
Or do it like that  
Do it like this  
Or do it like that  
Do it like this  
Just gon and bring it back  
Bring it back

Ok, Ok  
Two step  
You can do it like this (ok)  
(i got yo attention)You can do it like  
Two step  
You can do it like (two step)  
Where my ballas at? (two step)

You can do it like this  
Or do it like that  
First two for my ballas  
Show me where ya at  
Matta fact  
Pull out a money roll stack  
Floss what ya got  
Show them D's on that lack  
Look, you see,  
Im tryna find a chick to lay ya on the back  
Put it in the reals  
Have a feelin that was that  
I got that magic stick  
I hit her once and she attached  
I got that magic stick  
I hit her once and she attached

[CHORUS X3]

You can do it like this  
Or do it like that  
Do it like this  
Or do it like that  
Do it like this  
Or do it like that  
Do it like this  
Just gon and bring it back

Bring it back

Look here  
Right about now  
We're gonna do somethin a little different  
Imma leave it up for you  
You gon do what you wanna do  
You understand?  
Lets go

You can do it like this  
Walk, walk, walk it out  
You can gon and do the boot  
You can do it like this  
Walk, walk, walk it out  
You can walk, walk, walk it out

You can do it like this  
You can walk, walk, walk it out  
You can do it like  
You can, (you can gon and do the boot) You can, You  
can, You can, You can do it like this  
Walk, walk, walk it out

Look here,  
Look

I dont play no games  
And i dont take no shit  
So if ya thinkin beef  
Then go on and get ya click

Uh, uh, uh, uh

Look (you can do it like this)

I dont play no games  
And i dont take no shit  
So if ya thinkin beef  
Then go on and get ya click  
You can do it like this

Uh, uh, uh  
You can, You can, You can, You can, You can do it like  
this
