You gave me time when no one gave me time of day,
You looked deep inside while the rest of the world
looked away,
You smiled at me when there were just frowns
everywhere,
You gave me love when nobody gave me a prayer.

Chorus:

That's why I call You Saviour that's why I call You
Friend,
You touched my heart You touched my soul,
And helped me start all over again,
That's why I love You, Jesus that's why I'll always
care,
You gave me love when nobody gave me a prayer.

You gave me laughter after I cried all my tears,
You heard my dreams while the rest of the world
closed it's ears,
I looked in Your eyes, and I found the tenderness
there,
You gave me love when nobody gave me a prayer.

Chorus:

That's why I call You Saviour that's why I call You
Friend,
You touched my heart You touched my soul,
And helped me start all over again.
That's why I love You, Jesus that's why I'll always
care,
You gave me love when nobody gave me a prayer.
