There's something on your mind
By the way you look at me
There's something on your mind
By the way you look at me

Eating baloney and crackers
From your fresh opened packet
And it irritates you so much
That you shoot him

Realizing what you done
You reach down, you pick up
Your baby in your arms

You say, speak to me, baby
What have I done
She looks up at you
With tears in her eyes
And in her last dying breath
She say
