Written by kenny loggins, babyface (1997) Performed by kenny loggins  
Every time I'm around you I'm caught by surprise  
A sense of electric anticipation Rolls into me when you smile  
And I know that you're filled by emotion 'cause I see it in the tear  
That you hide Girl I don't want you to go  
I don't need you to know if forever is a part of your life  
All I ask of you is hear your heart  
All I ask of you is trust it babe  
They call love illusion  
They say falling in love's a mistake  
It could be just about anybody  
But I don't see it that way  
Hey I know what's in you  
Because I can feel it too  
And I've never been more scared in my life  
I don't want you to go  
Girl I don't need to know if forever's what I see in  
Your eyes  
Hook Just as the night  
Knows the sun's comin'  
home  
Trust that our love  
Has a mind of it's own
