Where do they get off tellin? you That I am not the least bit into you
Just tell me how the hell they can tell you They know what? s in my heart
What do they get from tellin? you That I don?t give a damn about you
Just tell me why the hell somebody wants to Tear your heart apart
Oh why, oh why, oh why, oh why, oh why Why do them people have to tell you lies
I know, I know, I know, I know I love you more than words could ever show
I can?t, I can?t, I can?t, I can?t explain Just why some people have to be that way
I can?t take much more I can?t ignore I have to let you know what? s in my heart
If I never ever say that I love you Just remember girl I?m sayin? I do
You can know that from this moment You were always in my heart
If I never ever say that I love you Just remember girl I?m sayin? I do
Love you You?ll be always in my heart They?re not the ones who?ll be there for you
When you need someone to turn to They won?t be anywhere, be anywhere
When things start falling down They?re only in it to confuse you
So they can turn around and use you But it can?t happen, it won?t happen girl
As long as I?m around Oh why, oh why, oh why, oh why, oh why
Why do some people have to tell you lies I know, I know, I know, I know, I know, I know
I love you more than words could ever show I can?t, I can?t, I can?t, I can?t explain
Why do some people have to be that way I can?t take much more I can?t ignore
I have to let you know what? s in my heart Hook Oh why, why, why, why
Why did you have to listen to the lies Oh girl, my sweet girl There?s only you inside my world
Oh please, baby please I wish you could believe in me Right now, right now
If only you could know Hook 3 times
