Written by babyface, daryl simmons (1993)

Performed by toni braxton

Since you been gone
I been hangin around here lately
With my mind messed up
Jumped in my car tried to clear my mind
Didn't help me
I guess Im all messed up now baby

Soon as I jumped into my ride
Those memories start to play
A song comes on the radio
And there u are baby once again

Its just another sad love song
Rackin my brain like crazy
Guess Im all torn up
Be it fast or slow
It doesnt't't't let go
Or shake me
And it's all because of you

Since you been gone
I keep thinkin about you baby
Gets me all choked up
This heart of mine keeps
Dreamin of you and it's crazy
Youd think I'd had enough

As soon as I get you out my head
Im in your car again
Just one request from the radio
Im back in love sugar once again

Hook

Here comes the strings
Then somebody sings
Only takes a beat
And then it starts killin me darlin

Only takes one note, I tell ya
From that radio
Its just another lonely love song
