Written by I.a. reid, babyface (1990) Performed by Whitney Houston
I believe in roses
But only from the heart
And if it's not sincere
Baby then I don't want no part
I believe in one love baby,
True monogamy
What I don't know
Can't hurt me
That's not the way I see
If you believed in me
You won't mess around
It's not like I don't know
You've been with every girl in town
You got a lot of nerve to think
I just close my eyes
While you walk around
So full of it
I give you my surprise
I don't need your kinda love
I don't need your kinda trust
I don't want you, anymore
I don't need your kinda kisses
I don't want to be your mrs.
I don't want to anymore
I don't need your kinda love
I don't need your kinda trust
I don't want you, anymore
I don't need your kinda kisses
I don't want to be your mrs.
I don't want to anymore
I believe that angels watch everything we do
And all the wrong you're doing
Just might come back on you
I believe in phone calls
When you're not by my side
Especially when it's lonely
In the middle of the night
If you believe that true love's only made in bed
Lord have mercy on you
Chivalry is dead
You got a lot of nerve to think,
To think that I'm still down
While you've taken me for granted
Boy I'm through, I'm outta town
Hook So baby (so baby)
You can kiss this girl goodbye
I'm through with ya
Movin on with my life
No more pain, no more fears
I'm movin on, I'm keepin on
I'm through with all the tears
Your kinda love
Your kinda trust
I don't want you, I don't need you
Can't have you
Your kinda kisses (yeah)
To be your mrs.
I don't want you (sing it for us)
Hook
I don't need, I don't want you
I don't need, I don't want
I don't need that kind of love
I don't want your kind of love
I don't need it
I don't want it
