Snoop dogg:
New american
How ya love dat
Off the hizzle frashizzle dizzle
Get it to me baby fizzle

(check it check it check it)

Girl you got your busines in the street
Claimin that your sh*t is weak
Been six months since youve been gone
How come you aint called
When you don't feel love no more
You got no right to close the door
You loved her once
And she's got proof
Baby boy looks just like you

Chorus:
Yo get her love and much respect
Even if she's got man
(ghetto) player you must understand
That's you babys momma
Don't be late payin your bills
It takes two to make a kid
When the hell you gon understand
That's you babys momma

Snoops hook:
Tell the baby goodbye (baby goodbye)
Cause you don't wanna be by (wanna be by)
The way you acting....fly (they way you acting....fly)
Girl you know you livin a lie (livin a lie)

I heard you got a chick on the side
I hope you got it right this time
Heard she got inside your mind
Hatin on your family ties
Shes got no right to dawg her out
That is the mother of your child
You loved her once and that's the truth

Baby boy looks just like you

Chorus

Snoop rapp:

You say you don't love her
You push her and you shove her
That's your first sons mother
Word to mother
If it's that bad
Then go and get another
She kicked ya to the curb
And now you're livin in the gutta
St-st-stutter
? ? ? ?
That child suppote (support)
Is tearin you butt up
Nut up, cut up
And act a fool
Raisin hell at the daycare school
They threw you in jail
For not payin you dues
You couldnt even buy yo son dem new coby(?) shoes
Alotta fools say they do but they don't
I know you're mad
You got to hate boo
Gon wait it through
Lets see what he gon do
He might, better yet better
The court wrote a letter
To be real wich you
You gotta kid wich you
So one to one
Man to man
He got to deal wich you

How you gonna act when you (sh*t is stong?)
When you don't even claim your own
How can you even sleep
When you know you're wrong
Wake up wake up wake up wake up
How you gonna act when you familys gone
Cause they tired of the sh*t you do (all the sh*t you do)
How you gonna feel when you can't go home
Cause there aint nobody there for you

Chorus

Snoops hook:

That's your babys momma uh
