Written by babyface (1997) Performed by usher
Craving your body all through the night
Feels like I'm going through withdrawal
I wanna hold you I want you inside of these of these arms
I'm dying to taste you, I can't deny
Can't get out of my mind Please let me hold you?
cause I need your lovin' tonight
Whenever I'm near you
My love just comes down
Whenever I see you I just want you around
cause I wanna feel you
All through the day and the night
Whenever I'm near you it feels like bedtime
Constantly thinking of things to do
Places where we can make love
I wanna freak you? I'll freak you wherever you want
Placing my kisses all over you
Caressing you so nice and slow
Oh how, I want you
Girl there's something I want you to know
Hook
Do you get lonely (oooh I get lonely)
Thinking about you me (thinking about you)
Am I the only (girl I dream of or think of at all)
Are you into me
Outta your mind for me
Say you can't go a day without me
Girl I love you
And I want you
And I need you, I need you, I need you
Hook 2 times
