If I never feel you in my arms again  
If I never feel your tender kiss again  
If I never hear I love you now and then  
Will I never make love to you once again  
Please understand if love ends  
Then I promise you, I promise you  
That, that I shall never breathe again  
Breathe again  
Breathe again  
That I shall never breathe again  
Breathe again

And I can't stop thinkin' about  
About the way things used to be  
And I can't stop thinkin' about  
About the love that you make to me  
And I can't get you outta my head  
How in the world will I begin  
To let you walk right out my life  
And blow my heart away

And I can't stop carin' about  
About the apple of my eye  
And I can't stop doin' without  
Without the center of my life  
And I can't get you outta my head  
And I know I can't pretend  
That I won't die if you decide  
You won't see me again

If I never feel you in my arms again  
If I never feel your tender kiss again  
If I never hear I love you now and then  
Will I never make love to you once again  
Please understand if love ends  
Then I promise you, I promise you  
That, that I shall never breathe again  
Breathe again  
Breathe again  
That I shall never breathe again  
Breathe again

And I can't stop thinkin' about  
About the way my life would be  
No I can't stop thinkin' about  
How could your love be leavin' me  
And I can't get you outta my mind  
God knows how hard I tried  
And if you walk right out my life  
God knows I'd surely die  
And I can't stop doin' without  
Without the rythm of my heart  
No I can't stop doin' without  
For I would surely fall apart  
And I can't get you outta my mind  
Cause I know I can't deny it  
And I would die if you decide  
You won't see me again

If I never feel you in my arms again  
If I never feel your tender kiss again  
If I never hear I love you now and then  
Will I never make love to you once again  
Please understand if love ends  
Then I promise you, I promise you  
That, that I shall never breathe again  
Breathe again  
Breathe again  
That I shall never breathe again  
Breathe again
