Written by babyface (1994) Performed by karyn white  
Never felt so good before  
Never dreamed I would explore  
Making love in the positions  
That you've got me doing  
Never thought I'd beg for more  
Never thought I'd find a man  
Who could do it again and again  
And then even do it like once again  
I've never trembled in my life  
I've heard about it once or twice  
But now I'm shaking  
And I swear this shaking feels so nice  
And I don't know what I'm going to do  
Cause I don't wanna be away from you  
You should've felt so good  
Lord knows I've never felt this good  
It's wonderful  
Well there's only one thing I need to know  
Can I stay with you, babe  
For the rest of the night  
Can I stay with you, babe  
For the rest of my life  
Can I stay with you, babe  
Through the end of all time  
Oh, baby, please  
Let me stay through the night  
I've never been so weak before  
Never met a man so sure  
Sure of how and when and where to touch  
And just how much  
I've never been to ecstasy  
But now I'm feeling it, feeling it  
Over and over and over and over and over  
And over and over and over and over  
Whatever I can do for your love  
You just ask, consider it done  
And I'll do anything  
Whatever you want, whenever you need it  
And I just want to give it all to you  
More than you could ever expect me to  
I swear whatever you do  
I'll do it three times back to you  
I'm good to go  
Well there's only one thing I need to know  
Hook  
One night of love  
It turned me around, it turned me  
One night of love  
And I'll never be the same, I'll never ever be the same  
One night of love  
And I'm deep in love  
Blew my heart away  
Hook 3 times
