Count on me through thick and thin
A friendship that will never end
When you are weak, I will be strong
Hoping you to carry on
Call on me, I will be there
Don't be afraid
Please believe me when I say
Count on

I can see it's hurting you
I can feel the pain
It's hard to see the sunshine through the rain, oh
I know sometimes it seems as if
It's never gonna end
But you'll get through it
Just don't give in cause you can

Count on me through thick and thin
A friendship that will never end
When you are weak, I will be strong
Hoping you to carry on
Call on me, I will be there
Don't be afraid
Please believe me when I say
Count on, you can count on me
(oh yes you can)

I know sometimes it seems as if
Were standing all alone
But we'll get through it
Cause love won't let us fall

Count on me through thick and thin
A friendship that will never end
When you are weak, I will be strong
Hoping you to carry on
Call on me, I will be there

Don't be afraid
Please believe me when I say
Count on

There's a place inside of all of us
Where our faith in love begins
You should reach to find the truth in love
The answers there within, oh
I know that life can make you feel
Its much harder than it really is
But well get through it
Just don't give in

Count on me through thick and thin
A friendship that will never end
When you are weak, I will be strong
Hoping you to carry on
Call on me, I will be there
Don't be afraid
Please believe me when I say
Count on
Count on, count on, count on, count on, count on, count
on me
