Written by babyface, tienne 't-boz' watkins  
(1999) Performed by TLC  
Dear lie  
You suck  
You said you  
could fix anything  
Instead I'm fucked  
You made things  
even worse for me  
I had balls I'd tell you  
get away  
from me  
Guess I'm not smart  
I let you unnerve me  
I let  
you control me  
Afraid the truth would hurt me  
When it's  
you that hurts me more  
Get outta my mouth  
Get outta  
my head  
Get outta my mind  
Stop puttin' words in my  
head  
Get outta my mouth  
You're nothing but trouble  
Get  
outta my life  
Get out of me  
Out of me (out of me)  
Out of  
me  
Out of me lie  
Lie lie lie lie  
Dear lie  
You're dumb  
You  
think you've got the best of me  
You think you  
won  
Misread my vulnerability  
I've got your walls  
Now get  
the hell away from me  
I've learned your art  
Won't let  
you unnerve me  
Won't let you control me  
The truth will  
only free me  
And your lies won't hurt no  
No  
more  
Hook  
Lie lie I've got your walls  
Now get the hell  
away from me  
I learned your art  
Won't let you unnerve  
me  
Won't let you control me  
The truth will only free  
me  
And your lies won't hurt no  
No more  
Hook  
Lie lie  
Dear  
lie  
Lie lie lie lie  
Lie lie  
Dear lie
