Written by babyface, darnell bristol, daryl simmons
(1987)Performed by the deele(french)There is no
doubtHe left you with - without a clueI know you think (I
know it)You have no future - no future at allI'll show
you how (I'll show you)How I'll make you not hurt at
allSo if we try (if we try)We'll walk through the
moonlightI'm here when you fallDry your eyes, he left
you cryingDeep down inside I know you just feel like
dyingDry your eyes, I'm gonna be there for youWaiting
foreverEver moreNow that he's gone (he's gone)Can
you find the strength to carry onI'll show you loveLove
and compassion - you'll open your heartHookEver
moreI love youHook 3 times
