Written by carlos greene, daryl simmons  
(1987) Performed by the deele  
Out one night to seek a  
matel asked a stranger for a date  
And guess what she  
said I like her man was cool, but i  
Was sexier than any  
guy She'd ever met  
Maybe if I took a chance  
To find a  
night of sweet romance  
Love wouldn't be  
Waiting for  
my ship to come  
And catch this player on the run  
I  
wanted to see, oh, her eyes  
Her eyes were eyes of a  
stranger (stranger's eyes staring at me)  
Her eyes were  
filled with danger  
She was such a pretty thang  
Maybe  
that's why I was game  
Walkin' the line  
So we took a  
rendezvous  
To satisfy each other's mood  
Time after  
time  
As I looked into her eyes  
Wondering if they were  
disguised  
A mystery to me (what could it be)  
All I felt  
was instant lust  
Knowing it was dangerous  
But I had to  
see, oh, her eyes  
Her eyes were eyes of a  
stranger (stranger's eyes staring at me)  
Her eyes were  
filled with danger (stranger, danger, I want you)  
Her  
eyes were eyes of a stranger (a stranger's eyes staring  
at me)  
Her eyes were filled with danger  
Her eyes on me  
I  
feel her eyes on me  
Her eyes were eyes of a  
stranger (stranger's eyes staring at me)  
Her eyes were  
filled with danger (stranger, danger, I want you)  
Her  
eyes were eyes of a stranger (a stranger's eyes staring  
at me)  
Her eyes were filled with danger  
Her eyes on me  
I  
feel her eyes on me  
She's a mystery  
Baby, can't you  
see  
She got me hypnotized  
Baby, mesmerized  
Her eyes  
were eyes of a stranger  
Her eyes were filled with  
danger  
Her eyes were eyes of a stranger  
Her eyes were  
filled with danger  
Her eyes were eyes of a stranger  
Her  
eyes were filled with danger  
Her eyes were eyes of a  
stranger  
Her eyes were filled with danger
