Written by I.a. reid, babyface (1987) Performed by pebbles  
To believe Or not to believe That is the question  
It just takes a street degree You've lied your last lie  
And I've cried my last cry I'm out the door, babe  
There's other fish in the sea  
Girl, make a list Go out and find yourself a new bad thing  
Girl, you need a trip 'cause he's not worth the misery and pain  
Just remember how he would tell you lies  
And then pretend that everything is so sweet  
Why should you sacrifice if you're not satisfied  
He's just a canine running round in heat  
Girlfriend How could you let him treat you so bad,  
oh Girlfriend You know you were the best he ever had,  
oh, oh, oh Girlfriend How could you let him treat you so bad,  
oh Girlfriend You know you were the best he ever had,  
oh, oh, oh Girl, you must resist Don't let him squirm  
his way into your heart No, girl, I must insist You've got to stop the fool  
before he starts Just remember how he was so untrue  
With all the tacky things he did to you No need to signify 'cause he's not worth your time  
You need to find someone that's true to you  
Girlfriend How could you let him treat you so bad,  
oh Girlfriend You know you were the best he ever had,  
oh, oh, oh Girlfriend How could you let him treat you so bad  
(baby don't be sad, no) Girlfriend You know you were the best he ever had,  
oh, oh, oh To believe Or not to believe That is the question  
It just takes a street degree You've lied your last lie  
And I've cried my last cry I'm out the door, babe  
There's other fish in the sea  
Cute (cute, cute, cute) Hey deele - sing  
To believe Or not to believe That is the question  
It just takes a street degree You've lied your last lie  
And I've cried my last cry I'm out the door, babe  
There's other fish in the sea  
Girlfriend how could you let him treat you so bad  
Girlfriend You know you were the best he ever had  
Hook Girlfriend How could you let him treat you so bad,
