Everybody needs a little time away
I heard her say, from each other
Even lovers need a holiday
Far away from each other
Hold me now
It's hard for me to say I'm sorry
I just want you to stay
And after all that you've been through
I will make it up to you, I promise you
And after all that's been said and done
You're just a part of me
I can't let go
Couldn't stand to keep away
Not for a day, from your body
(baby, I can't live without you, not even a day)
Wouldn't wanna be swept away
Far away from the one that I love
Hold me now
It's hard for me to say, I'm sorry
I just want you to know (you to know)
Hold me now
I really wanna tell you I'm sorry
I could never let you go
And after all that we've been through
I will make it up to you, I promise you
And after all that's been said and done
You're just a part of me
I can't let go
(I can't let go)
