Written by george fenton, babyface, robert kraft (1999)

Performed by joy Enriquez

Can not touch  
Can not hold  
Can not be together  
Can not love  
Can not kiss  
Can not have each other

Must be strong, and we must let go  
Can not say what our hearts must know

How can I not love you  
What do I tell my heart  
When do I not want you  
Here in my arms  
How does one waltz away  
From all the memories  
How do I not miss you  
When you are gone

Can not dream  
Can not share  
Sweet and tender moments  
Can not feel  
How we feel  
Must pretend it's over

Must be brave, and we must go on  
Must not say, what weve known all along

Hook

Must be brave, and we must be strong  
Can not say, what weve known all along
