Written by I.a. reid, babyface, daryl simmons, bobby brown, stylz (1992) Performed by bobby brown  
When u trust someone  
And u know you?re on their back  
You ain? t got no trustin? about you  
And you claim that you don?t care what where I?m at  
You?ve given me reason to doubt you  
Say u trust someone  
Why are you callin? all around  
Think I?ve got some dip on the side  
Girl you don?t trust no one  
And you?re constantly in doubt  
You lose the game  
If you play that way  
Get up off my back  
Save your heart attack  
Ain?t nobody humpin? around  
No matter what they say  
No it ain?t that way  
Ain?t nobody humpin? around  
When u love someone  
And you want to love ?em right  
Got to get more lovin? about ?cha  
And you know that you?re holding on too tight  
Soon they will be leaving without you  
Say that u love someone  
Why are you callin? all my friends  
Thinkin? I?ve got somethin? to hide  
Girl you don?t love no one  
You don?t know what love?s about  
You lose the game  
If you play that way  
Hook 2 times  
Girl if u trust someone  
You don?t call on everybody  
Ain?t nobody foolin? around  
And the more I think about it  
You?ll lose all your clout  
and You lose the game, baby  
If you play that way  
Back to the bb brown  
Back to the bb brown  
Back to the bb brown  
When u love someone  
And you want to love ?em right  
Got to get more lovin? about ?cha  
And you know that you?re holding on too tight  
Soon they will be leaving without you  
Say that u love someone  
Why are you callin? all my friends  
Thinkin? I?ve got somethin? to hide  
Girl you don?t love no one  
You don?t know what love?s about  
You lose the game  
If you play that way  
Hook 2 times  
Stop!  
Rap: My name is brown, that?s what I?m called so  
Don?t try to step to me wrong or you?ll fall slow  
Cuz I just wanna kick soul to ya, maybe baby take control of ya  
Just like I told ya, I wanna roll  
On the tip that?s movin?, able to make ya move and groove  
And leave ya like ooh when I touch ya  
Give you so much of the feeling of the deck that I?m dealing  
When I rub ya up and down  
Yo stylz, kick it!  
Rap: Well, I know it?s been awhile  
Since you heard a change in our style  
So what I?ve come to do is kick you something fly and new  
A change, different from the typical  
A bit more than

regular but not like the other's original  
Cuz originality and creativity  
Add it up together equals the b.b.b.  
posse  
Yeah, we're in the house  
Yo kick it!  
Hook  
Girl you said you love me  
And you said you trust me  
Why do you think I'm foolin' around  
I can't stand the pressure  
You know I'm yours forever  
Ain't nobody, nobody, humpin'  
around  
Hook 2 times
