Written by bill simmons, bobby lovelace, dee bristol  
(1983) Performed by the deele  
You wanted me to love  
you didn't feel the same  
I always have to win  
Playin' all  
of my games  
It used to be that we were friends  
You  
wanted something else  
Now I'm so in love with you  
I can't help myself  
I dropped my guard  
And lost my  
strategy  
You took me captive  
And persuaded me (girl,  
you)  
My bag is up  
And you are shootin' me down  
I guess it's  
time I played  
On solid ground  
Girl, I surrender?  
cause I'm takin' a fall  
Come get it, baby  
You can have it  
all  
Girl, I surrender?  
cause I'm takin' a fall  
Come get it,  
baby  
You can have it all  
I really must admit  
You took me  
by surprise  
You moved right in  
and stole my love  
From  
under my eyes  
A love so intense  
With you there?  
s no  
defense  
You got me in a corner  
Might as well submit  
I  
dropped my guard  
And lost my strategy  
You took me  
captive  
And persuaded me (girl, you)  
My bag is up  
And  
you are shootin' me down  
I guess it's  
time we  
played  
On solid ground  
Hook 2 times  
You've got me in a  
corner  
Girl, do what you wanna  
You've got me in a  
corner  
Girl, do what you wanna  
You've got me in a  
corner  
Girl, do what you wanna  
You've got me in a  
corner  
Girl, do what you wanna  
Come on, girl  
I dropped  
my guard  
And lost my strategy  
You took me captive  
And  
persuaded me (girl, you)  
My bag is up  
And you are  
shootin' me down  
I guess it's  
time we played  
On solid  
ground  
Hook 4 times
