Written by I.a. reid, babyface (1990)

Performed by whitney houston

From the moment I saw you
I went outta my mind
Though I never believed in
Love at first sight
But you got a magic boy
That I just can't explain
Well you gotta, you gotta way
That you make me feel
I can do, I can do anything for you baby
Ill be down for you baby
Lay all my cards out tonight
Just call on me baby
Ill be there in a hurry
Its your move so baby
Baby decide

Whatever you want from me
Im giving you everything
Im your baby tonight
Youve given my ecstasy
You are my fantasy
Im your baby tonight

From the second you touched me
I was ready to die
Ive never been fatal
Youre my first time
I feel like an angel
Who just started to fly
Well you gotta, you gotta way that
You make a me feel I can, feel I can
Do anything for you baby
Hold on and enjoy the ride
Im not in no hurry
We can fly all night baby
Its your move now baby
Baby lets fly

Hook

Whatever I do boy
Its all about you baby
And aint it the truth boy
Im helplessly in love with you
What else I can do boy
But be there for you baby
You gotta, you gotta way that
You make a me feel I can, feel I can
Do any, do anything

Hook

Looks like Im fatal
Its all on the table
And baby you hold the cards
You got the magic
And Ive got to have it
I don't want the pieces
I want every single part
Ill be your angel
Im ready and able
Whatever you want is fine
Whenever you're ready
Just call on your lady
And I'll be your baby tonight

Hook 2 times
