Written by babyface (1995) Performed by Faith Evans
And I can't believe it's real I can't believe it's
you Can't believe it's happening Can't believe it's
true And I can't believe that you are here with me
And I am here with you Softly kissing you Forever
kissing you Kissing you And I can't believe my
eyes I don't know what to do Can't believe you
are mine Not that I'm lying here with you
And I can't believe you're making love with me
And I'm making it with you Softly kissing you
Forever kissing you Kissing you Through the night
I feel fire And there's nothin' but you in my
mind As you quench me all of my desires And I
melt in ecstasy And I can't believe it's real
Can't believe it's true Can't believe that you
chose me When I was choosing you And I can't
believe that you are here with me And I am
here with you Softly kissing you Forever
kissing you Oh gently kissing you Kissing you
Kissing you Kissing you
