Is he lookin at me  
Cause Im lookin at him  
Hope he's lookin at me

I was in love the moment that I saw you  
I followed you thru the crowd and I almost lost you  
I was dying to tell you but scared of your reaction  
But I can't hold back because Im rushed  
With this thing called passion

Youve got me knocked out  
Turn me inside out  
Its you that makes my heart beat  
Youve got me knocked out  
Baby there's no doubt  
You swept me off my feet

I walked your way hoping that maybe you'd noticed  
I don't want to move so fast, I don't want to blow it  
Never did I think love could be so amazing  
But the things that you're making me do  
Its driving me crazy

Hook 2 times

I want us to get closer, boy I wanna be  
Startin somethin with you (baby)  
My heart is steady knockin boy youve got my body  
rockin  
Caught blow-by-blow  
Love t.k.o.
