I can't explain it  
Kinda get this feelin like wow  
Yeah baby  
Been tryinto say it  
But I just don't quite know how  
Oh but now  
Im hanginon  
Strong to the hope that i  
See in your eyes

Every time you look my way  
I can feel your heart beat  
And it feels like a brand new day  
So please say  
That love will be waiting  
And it will never ever go away away away

You been tryin to tell me  
How you were feelin inside yeah lady  
Somehow I missed you  
I can't tell you why  
Oh but please gimmie just one more chance  
To make it up to you  
And I promise

Every time you call my name  
I will heart speak  
And it speaks of a brand new day  
And you'll say  
That love will be waiting  
And it will never  
Every time you call my name  
I will heart speak  
And it speaks of a brand new day  
And you'll say  
That love will be waiting  
And it will never ever go away away away

So baby if it feels right  
Lets make it last forever yeah  
Our love is worth a lifetime  
Of indescribable joy  
And you wont be disappointed  
Giving you my word  
Trust me with your hear and your love
