Written by mariah carey, babyface (1993) Performed by mariah carey
I won't see your smile
And I won't hear you laugh anymore
Every night I won't see you
Walk through that door 'cause time wasn't on your side
It isn't right I can't say I love you
It's too late to tell you
But I really need you to know
No, I'll never forget you
I'll never let you out of my heart
You will always be here with me
I'll hold on to the memories
Baby, baby, can you hear me
Wherever you may be tonight
Are you near me I need you to be by my side
'cause I never said goodbye
It isn't right I should have said I love you
Why didn't I just tell you
God knows I need you to know
Hook
Somewhere I know you'll be
With me
Someday in another time
But right now you're gone
You just vanished away
But I'll never leave you behind
Hook 3 times
