Outside in/inside out
How can I forget about the day I
first met you
The way you walked in to the room with so
much attitude
Sometimes people go through
life
Searching for a sign
Girl I know that I found
mine
When I look into your eyes
(chorus) outside in,
inside out, you do it for me
ya knock me out a sight
to see from head to toe
Had to let you know
Outside in,
inside out, you do it for me
ya knock me out a sight to
see from
Head to toe
Had to let you know
Girl I lost my
mind I saw you dancin on the floor
You looked so damn
fly sweat started comin from my pores
Soemtimes
people go through life
Searching for the one
Girl I know
that I found mine
And I know it?s love
(chorus) Tell me
(when and if) I can see you
(how?s about) tomorrow
night
No one (has to know what) we do
(what we do til
ya say) until say it?s alright
(it?s alright, it?s alright
baby, it?s alright baby)
It?s alright baby, it?s alright
baby
Chorus x 2
