You know a man likes
a good time
He likes to wine and then dine
A beautiful
woman
And love her thru the night
And if the lovin' feels
right
He likes to do her two times
Pleasing that
woman
Until she's satisfied
But when all the lovin's
done
Who wants love that's on the run
One good
time
But there's so much more
How 'bout conversation,
some communication
Someone who loves you and
stimulates your mind, baby
A pretty little girl just ain't
gonna get it
I need a woman
I need the kinda girl who
keeps on
Using her mind all of the time, baby
A pretty
little girl just ain't gonna get it
I need a strong woman,
who'll keep love comin'
All of the time, all of her
life
You know a man likes to have fun
He likes to get into
some tender young roni's
As pretty as they come
He
likes to love all night long
And makes 'em feel they got
it goin' on
Sometimes it's lonely 'cause there's no one
at home
But when all the peaks are done
No one still
knows anyone
We've had fun, but I need so much
more
How 'bout conversation, some
communication
Someone who knows you and
stimulates your mind, baby
Hook I'm not ashamed to
say, I've been that kinda guy
Didn't want no lady, I just
wanted a good time
But now, I'm think I'm ready for
I need a woman that'll give it up
Someone to love me
And
someone to be right by my side, baby
Hook
Can you
give me the lovin'?? All I need
And if you give me the
lovin', I'll give you all of mine
'cause I need a woman,
to care for me
To love me, to squeeze me, and
someone to be right by my side
Baby
Hook 2 times
