The truth about roni, she's a sweet little girl
You can treat her right, feel nice and hold her tight
Only tender ronies can give you special love
A special kind of love that makes you feel good inside
If you believe in love and all that it can do for you
Give it a chance, girl, you'll find romance
And if you find a tender roni that is right for you
Make it official, give her your love
My heart belongs to a roni
She's my only love
She's my only love
My only heart, baby
My heart belongs to a roni
She's my only love
She's my only love
The truth about roni, she's always on the phone
Talking to her homeboy wishing they were home alone
She sends you lovely letters with the smell of sweet perfume
This is what a real tender roni likes to do for you
And if you believe in love and all that it can do for you
Give it a chance, girl, you'll find romance
And if you find a tender roni that is right for you
Make it official, give her your love

The truth about roni, she's a sweet old girl
About the sweetest little girl in the whole wide world
She'll make the toughest homeboy fall deep in love
Said once you had a roni, you will never give her up
She's a special kind of girl that makes her daddy feel proud
You know the kind of girl that stands out in crowds
Found the tender roni, and the roni is so right
I think I'm gonna love her for the rest of my life
>If you believe in love and all that it can do for you
And if you find a tender roni that is right for you
Make it official, give her your love
