Yo dis is tlc Yeah and we're back to school da girlies  
And if n ya know dat yo man is startin?  
to flip Shock dat monkey on the tlc tip Y?  
all know we ain't down for no monkey business  
Erri uhhh erri uhhh errilt ain't even like that  
Yo t-boz kick it When you know that it's good  
And you know that it's hot All the girlies want a piece of what you've got  
When a man is a man And it's all in his face  
He's gon jump all on it Cause it be's that way  
Gotta get up on it Put that heart aside  
Ain't about that lovin' It's all about that pridelf  
you do unto him What he does all the time That's the only thing for sure  
To keep that nickel in line You gotta go  
Shock dat monkey Shock ?em good shock ?em good  
Shock dat monkey Hey, hey, hey, hey Shock dat monkey  
Shock ?em good, shock ?em good Shock dat monkey  
If he plays in the field And he's shamin' your name  
Got no time for tears You can get in the game  
If a man is a man And he calls you a ho  
Ain't no point in playin' If he doesn't know (yeah)  
Don't let him know If you don't go through it  
And if it blows Hey just don't sweat it  
Now you're in control If you just don't screw it  
Shock him before He knows you know so  
Hook 2 times Yo you wanna know somethin' I'm in a situation  
Like it or not it's you, your own creation  
Lendin' a leg cause you ain't too proud to beg  
For a quick sensation invitation And bein' that I am  
the kinda girl that I am Lend a hand can't dare you to give a damn  
cause his story can be my story too  
Ooohhh monkey see monkey do When you know that it's good  
And you know that it's hot All the girlies want a piece of what you've got  
When a man is a man And it's all in his face  
He's gon just all on it Cause it be's that way (yeah)  
Hook Yo it ain't cool and as a matter of fact  
Get the monkey up off your back And when he wanna know where you're at  
Get the monkey up off your back Even if he don't like it like dat  
Get the monkey up off your back You gotta keep ?em intact  
Get that monkey up offa your back  
Hook Gotta get up on Put that heart aside  
It ain't about that lovin' It's all about that pridelf  
you do into him What he does all the time That's

the only thing for sure To keep that nickel in line Hey Yo it  
ain't cool and as a matter of fact Get the monkey up off  
your back And when he wanna know where you're at Get  
the monkey up off your back Even if he don't like it like  
dat Get the monkey up off your back You gotta keep ?  
em intact Get that monkey up offa your back Hook 2  
times
