Written by mark ?sisqo? andrews, nathan ?n8? walton,
kiehl owens, tavia ?joker? ivey, babyface
(1999)Performed by sisqolt?s giving me a chillEvery
time I thinkAbout the love we makelt makes my heart
sinkDeep into my soulEverywhere I goI?m always
thinking ofWhen we make loveWanna go back to the
dayWhen I touched you girl in every wayGotta take the
change to hear you sayThat you want me girlGirl you
know you rocked my world?causel can?t eat, can?t
sleepYou know that it?s unnaturalWhat you do to
meYou know that it?s so sexualWhat?s come over
meNever thought that love could be so addictingThe
feeling hurt so badIt makes my body weakI can taste
you even when you?re not with meLook what you?ve
done to meWanna go back to the dayWhen I touched
you girl in every wayGotta take the change to hear you
sayThat you want me girlGirl you know you rocked my
worldHookYou are the only girl il wanna share my
worldYou?re where I wanna beEverything i, I needHook
