Written by daryl simmons, babyface, dave simmons, jr. (1994) Performed by a few good men  
I'm talking 'bout my girl  
My girl, my girl  
Hey! will love her  
All of my life I knew I'd find  
A girl that'd be so right  
She gives me something so good  
Feels too good to let it go, yeah  
She warms my soul  
Now it can't explain it  
What it is  
That makes this woman  
Such a wonderful girl  
She's changing my world  
I love this feeling  
That I'm getting  
Cause I never, ever felt this before  
I love her for sure  
My southern girl  
Lovin' my southern girl  
Nothing matters when she's with me  
Nothing like southern girls  
Guaranteed to love you so sweet  
She gives good love  
Oh tender sweet love  
She knows just what yeah  
My girl knows what I want  
It's just the way that she smiles  
The way she says hello  
Just letting me know  
There's a special kind of loving  
And a southern hospitality  
And the way that she rubs on me  
And I love the feeling that I'm getting  
And I never ever want it to leave  
Will you marry me, southern girl  
Hook  
Now there's a difference I see  
In the love she's giving to me  
Giving me a little bit more  
Than any other woman  
That I ever have known before  
You gave your heart and soul to me  
And there's no other place  
That I'd rather be  
You changed my life  
Changed my world  
Ain't nothing like my girl  
She's gonna be loving me so sweet  
Ooh-we, ooh la, la, la, la  
She's gonna be loving me so sweet  
ooh  
That southern girl  
She's gonna be loving me so sweet  
ooh-we  
I'm talking 'bout my girl  
My girl, my girl  
Hook  
Lovin' my, lovin' my, lovin' my  
girl  
Lovin' my southern girl  
Lovin' my, lovin' my, lovin' my  
girl  
Oooh la, la, la, la  
Lovin' my, lovin' my, lovin' my  
girl  
Lovin' my southern  
Guaranteed to love you so sweet  
Hook
