Written by babyface (1996) Performed by Toni Braxton
There's no me without you
There's no meaning to life without you
Tell me why should I care 'bout doing my hair
When I can't stop the thinking about you
There's no moon without you
There's no Saturday nights without you
There's no walk through the park
No beat in my heart
No I love you, no I can't live without you
You told me everything would be cool
Said I wouldn't always feel blue
How come I feel like a wreck
How come the skies are all gray
How come my eyes are all red
Why am I alone in bed
You told me everything would be fine
Why am I losing my mind
How come I feel like a fool
Why do I keep losing you
Why do I love in despair
When you're not there
Hook
So blue for you
So deep in love with you
So hard to say bye-bye
When you know how hard I've tried
I, I, I tried baby
No no no no
You told me everything would be fine
Why am I losing my mind
How come I feel like a fool
Why do I keep losing you
Why do I love in despair
When you're not there
Hook
