Written by babyface and damon thomas  
(1998) Performed by dru hill  
God knows that you're a  
sexy thang  
It's taking everything in me  
Not to kiss you  
over, under  
Feel you inside, feel my thunder  
How the hell could I not want you  
Girl it don't have to be a  
thang  
I'll wait for you, you wait for me  
cause true love is insisting  
we don't have to rush at all  
These are the times we all wish for  
The moment we less means so  
much more  
We don't have to do a thing at all  
We can take our time and talk  
And this is the way things need to  
be  
No pressure from you and none from me  
Just let the mood set the moment off  
We can make love or not at  
all  
Be thinkin' 'bout you all the time  
Morning, noon, and supertime  
Tear you up in little pieces  
Swallow you like reese's  
pieces  
Come on girl you know I need you  
(I know) it ain't s'posed to be a thing  
(I know) I'll wait for you,  
you wait for me  
(and I know) true love's insisting  
we don't have to rush at at all  
Hook  
I don't make promises  
cause I know my heart gets weak  
I get around you girl  
It makes them hard to keep  
cause you bring out the best,  
you make me the man  
God knows I'm proud to be  
Hook 2 times
