Written by babyface, lisa left eye lopes  
(1995) Performed by tlc  
Not everybody knows just how to do it  
Some just learn it on the way  
Once you get it right, ain't nothin' to it  
If you wanna get it right, you gotta learn to pace  
Make it smooth, take your time  
Make it groove, in, out, in  
Make it last, kiss, kiss, kiss, Kiss my ---, ah, ah, ah  
This is how it works  
Wrap your hands around my body  
This is how it works  
Go due south and This is how it works  
Melt yourself into my body  
This is how it works  
Kiss my mouth  
Some guys think they know the answers  
Everybody knows how to make you scream  
If most guys took time out their fantasies  
Maybe we could stop our make believe  
Make it smooth, take your time  
Make it groove, in, out, in  
Make it last, kiss, kiss, kiss, Kiss my ---, ah, ah, ah  
Hook  
Ready set go, you don't have to know  
We can take forever, learn together any flow  
Touch me slow, watch it grow  
Kiss the tip, gently flow, be my ho and take the show  
We can watch it in slow-mo, when the sweet & lo drips  
Don't forget to let me wet my finger tips  
Write love letters back & forth across your lips  
Spread my hips, count to eighty, eighty ways, eighty trips  
Make it smooth, take you time  
One time for you mind, two times if ya tense  
Baby let it unwind  
Make it groove, in, out, in  
Three counts let it bounce to the mother f\_\_ing ounce  
Make it last, kiss, kiss, kiss  
Here we go, now you know  
4th down, let it flow back around  
Come on  
Kiss my ---  
Kiss my, kiss my, mm-wah  
Hook
