I've tried  
And you've tried  
You've cried  
And I've cried  
I've lied  
And you've lied  
Together we've died  
But sometimes  
Sometimes it gotta stop

I'm cold when you're cold  
I'm warm when you're warm  
We were friends  
We're still friends  
That's all  
That's all  
That's all

You can't love me  
I'm unlovable  
But baby you could try  
It's all good, it's not bad  
It's all smiles, it's not sad  
There's just time to stop love  
Love's gone, move on  
Life's long

You can't love me  
I'm unlovable  
But baby you could try  
Sha la  
Sha la la la la la la  
Sha la la  
Sha la

Love's so sweet it suffocates us  
Like a sickly kindly gag  
And we're floating down the sewer pipe

Like kittens in a bag  
And the mirror screams to both of us

That we are not alone  
Then the metaphors explode  
And suddenly we're home

You can't love me  
I'm unloveable  
But baby you could try  
I can't love you  
You're so loveable  
But baby let me try

You can't love me  
I'm unlovable  
But baby you could try  
I can't love you  
You're so loveable  
But baby let me try
