Laying in the after glow
I only want to learn what you know
But now you're leaving
How many hearts must you break
How many calls must I make
But now you're leaving

In this world all that I choose has come unbearable
But love is in your touch
Ooh it's killing me so much

Only when you leave
I need to love you
And when the action has all gone
I'm just a little fool enough to need you
Fool enough too long
Only when you leave you'll leave in danger
Oh I'll make sure that you pay
So give a little passion to a stranger
And take this soul away

I only want to make things last
So how could this have gone so fast
And now you're leaving
How many times must I learn
It's only when you've gone that I burn
And now you're leaving

In the end all that is left has come unbearable
It's hard to change your mind
So leave it all behind

Only when you leave
I need to love you
And when the action has all gone
I'm just a little fool enough to need you
Fool enough too long
Only when you leave you'll leave in danger
Oh I'll make sure that you pay
So give a little passion to a stranger
And take this soul away

Laying in the after glow
I only want to learn what you know
Ohh but now you're leaving
How many hearts must you break
How many calls must I make
But now you're leaving

In this world all that I choose has come unbearable
But love is in your touch
Ooh it's killing me so much

Only when you leave
I need to love you
And when the action has all gone
I'm just a little fool enough to need you
Fool enough too long
Only when you leave you'll leave in danger
Oh I'll make sure that you pay
So give a little passion to a stranger
And take this soul away
