That's how heartaches are made
That's how heartaches are made

They told me I was such
A fool to love you
They say that you're the kind
Who'd never be true

Pretty soon the day would come
When I'd be the sorry one
But I said that I'm not afraid

Well, that's how heartaches are made
That's how heartaches are made

I went ahead and
My heart opened the door
I gave you so much love
No one could want more

You pretended to be mine
How could you be so unkind
With all the other girls
You've played

Well, that's how heartaches are made
That's how heartaches are made

That's how heartaches are made
That's how heartaches are made

I know you're not sincere
And you'll never be
But still I want
Your kisses so desperately

I could never let you go
Baby, even though I know
Every rule of love
You've disobeyed

Well, that's how heartaches are made

That's how heartaches are made
That's how heartaches are made
