If you'll be mine, I'll be yours,
If you'll be mine, I'll be yours.
If you'll be mine, I'll be yours,
If you'll be mine, I'll be yours.
I tick like a bomb,
A little bomb with feelings
In every single country,
Under every ceiling.
There's no feeling, there's no feeling at all
There's no feeling, there's no feeling at all
If you'll be mine, I'll be yours,
If you'll be mine, I'll be yours.
If you'll be mine, I'll be yours,
If you'll be mine, I'll be yours.

Im built like a house
A little house that's peeling
As it peels away then you'll see
There's no feeling, there's no feeling at all
There's no feeling, there's no feeling at all
If you'll be mine, I'll be yours,
If you'll be mine, I'll be yours.
If you'll be mine, I'll be yours,
If you'll be mine, I'll be yours.

I burn like a tree at the end of the garden.
We've put up a swing for the children.
There's no feeling there's no feeling at all.
With the world on TV she's she's given up believing
There's nothing left to see,
I was teasing.
I was teasing, I was teasing her on

I was teasing, I was teasing her on
If you'll be mine, I'll be yours,
If you'll be mine, I'll be yours.
If you'll be mine, I'll be yours,
If you'll be mine, I'll be yours.
