Yeah yeah
Well, well, well girl
Yeah

I believe that a woman
Is the most precious thing on the Earth
And I'll do anything
And I do mean anything
To stop my baby
From ever being hurt

Well it might seem kinda crazy to ya
Somewhat outta style

I'm just a bit old-fashioned
And I can't help
Livin' that way
Bit old-fashioned
And I can't help
Livin' that way, yeah

I'll go and work
My fingers to the bone
And I'll work overtime
So she can have a home
And I'll do anything
I do mean anything
Don't want my baby
To hurt for a thing

Well that might sound kinda crazy to ya
Somewhat outta style, yeah

I'm just a bit old-fashioned
And I can't help
Livin' that way
Just a bit old-fashioned
And I can't help
Livin' that way

Oh baby
That's the only way that I'll ever be

Forever dedicated to thee, babe
One girl is all I ever will need
Loving you forever indeed
My whole damn life is you and
And I would die for you
I might sound crazy
But the only thing important is you, yeah
I love you

I'm just a bit old-fashioned
And I can't help
Livin' that way
Just a bit old-fashioned
And I can't help
Livin' that way
