Tonight I'm lying here without you  
And it feels like hell baby  
Without your love, your love  
And I'm no good less I'm around you  
Like you can't tell baby  
You all I want  
I get up and i, pick up the phone and  
Then I dial your number praying that you ain't gone  
Every day I seem to lose a little bit of my mind  
I wanna let you go boy but i

Ain't got no remedies baby  
It's all 'bout you and me baby  
I feel up, I feel down  
I feel all together emotional  
Ain't got no remedies baby  
I got it bad you see baby  
I go in, I go out  
And get all together emotional

My heart can barely beat without you  
What is this spell baby  
You've got me on  
Can't make no sense of things without you  
And it never fails baby  
Your love's so strong  
I can't eat, I can't sleep, I can't hear, I can't see  
There's a million other things but now I can't even  
speak  
Every day I seem to lose a little bit of my mind  
I wanna let you go boy but i

Hook

I can't stop and i, I can't go it's a  
Somethin' that I can't control  
It's taking over me, it's getting under me  
But I can't let go, cause I love you so  
I can't eat, I can't sleep, I can't hear, I can't see  
Can't think, can't dream, can't even speak  
I swear I'm 'bout to lose my mind  
I wanna let you go boy but i
