Cherelle?

Yes, pebbs

Have you ever loved someone so much

That you feel it deep down in your soul?

Girl, I truly have

Well, this is how I feel about the one I love

Let's sing it together

Always

Boy, I never knew a love like you before

You came into my life and gave me more

You are my friend - also my man

And I'll love you always

You, you just don't know what you've done for me

You gave me love and now I'm complete

You are the sun, you are the sun

The only one

And I'll love ya always

Baby, don't leave me

Don't ever desert me

I'll promise my life to you

And I'll love you always (love you always)

Baby, don't leave me

Don't ever desert me

I'll promise my life to you

And I'll love you always

I love you always

I, wish I had known that you'd come for me

I was a soul that was lost and incomplete

You were my friend, now you're my man

And I want you always

I, I just don't know what came over me, boy

You touched my soul and let me feel free

Always be there, and baby don't be scared

Cause I'll love ya always

Baby always

Hook

My friend, you're my man  
I do, I do, I do  
I do love you

You, you should know now that I'll never leave you  
Well, I've searched the land and now I've found you  
You are my girl you are my man, I am your man

My only man  
And I'll love you always  
Always

Baby, don't leave me  
Don't ever desert me  
I'll promise my life to you  
And I'll love you always (love you always)

Baby, don't leave me  
Don't ever desert me  
I'll promise my life to you  
And I'll love you always

Baby, don't leave me, oh baby  
Don't ever desert me, I love you  
I'll promise my life to you  
And I'll love you always  
I love you always

Baby, don't leave me  
Don't ever desert me always  
I'll promise my life to you  
And I'll love you always

Baby, don't ever leave  
Don't ever leave me, please  
I promise unselfishly  
To love you always  
Baby, don't ever go  
Don't ever leave me, no  
All the things that we've been through  
Still love you always

Baby, don't you ever go  
Don't you ever go  
Never leave you, no  
You must stay always  
And I'll love you always

Baby, don't you ever go  
Don't you ever go  
Never leave you, no  
You must stay always  
And I'll love you always

Baby, don't ever leave  
Don't ever leave me, please  
I promise unselfishly  
To love you always

Baby, don't ever go  
Don't ever leave me, no  
All the things that we've been through  
Still love you always

Baby, don't you ever go  
Don't you ever go  
Never leave you, no  
You must stay always  
And I'll love you always
