Performed by tenderoni

Baby i, think of you  
Think of you a million times a day  
Baby i, I cannot  
I cannot get you outside my head  
Maybe I'm crazy and if so it's because of you  
All that I know is, I belong to you  
Oh baby

I want your love  
I need your love  
Gimme your love, gimme your love  
Gimme  
I want your love  
I need your love  
Gimme your love, gimme your love  
Gimme your love

Baby i, realize  
You could take complete control of me  
I don't care, anywhere  
Anytime is fine it's cool with me  
Maybe I'm crazy and if so it's all 'bout you  
All that I know is I belong with you  
Oh baby

Hook

Night after night  
Dream after dream  
You're there inside of my heart  
Day after day  
There's no escape  
I want you inside of my arms

Baby i, gotta be  
Gotta be the only one you see  
Tell me boy, what you need  
I will be providing everything  
Maybe I'm crazy and if so it's all for you

All that I know is I belong with you  
Oh baby

Hook 2 times
