(check it check it check it)

Girl you got your busines in the street  
Claimin that your sh\*t is weak  
Been six months since youve been gone  
How come you aint called  
When you don't feel love no more  
You got no right to close the door  
You loved her once  
And she's got proof  
Baby boy looks just like you

Chorus:  
Yo get her love and much respect  
Even if she's got man  
(ghetto) player you must understand  
That's you babys momma  
Don't be late payin your bills  
It takes two to make a kid  
When the hell you gon understand  
That's you babys momma

Snoops hook:  
Tell the baby goodbye (baby goodbye)  
Cause you don't wanna be by (wanna be by)  
The way you acting....fly (they way you acting....fly)  
Girl you know you livin a lie (livin a lie)

I heard you got a chick on the side  
I hope you got it right this time  
Heard she got inside your mind  
Hatin on your family ties  
Shes got no right to dawg her out  
That is the mother of your child  
You loved her once and that's the truth  
Baby boy looks just like you

Chorus

Snoop rapp:

You say you don't love her  
You push her and you shove her  
That's your first sons mother  
Word to mother  
If it's that bad  
Then go and get another  
She kicked ya to the curb  
And now you're livin in the gutta  
St-st-stutter  
? ? ? ?  
That child suppote (support)  
Is tearin you butt up  
Nut up, cut up  
And act a fool  
Raisin hell at the daycare school  
They threw you in jail  
For not payin you dues  
You couldnt even buy yo son dem new coby(? ) shoes  
Alotta fools say they do but they don't  
I know you're mad  
You got to hate boo  
Gon wait it through  
Lets see what he gon do  
He might, better yet better  
The court wrote a letter  
To be real wich you  
You gotta kid wich you  
So one to one  
Man to man  
He got to deal wich you

How you gonna act when you (sh\*t is stong? )  
When you don't even claim your own  
How can you even sleep  
When you know you're wrong  
Wake up wake up wake up wake up  
How you gonna act when you familys gone  
Cause they tired of the sh\*t you do (all the sh\*t you do)  
How you gonna feel when you can't go home  
Cause there aint nobody there for you

Chorus

Snoops hook:

That's your babys momma uh
