Performed by the deele

Einstein
You say wine time
I say high time
We say dance

I got my juke box playing in the back girl
And it's rockin'
Because I feel like I wanna rock the block girl
No talking
I like to see what you can do
When you drop your guards and get loose
I wanna make you feel faint
And be your main man rockin' 'round the block girl
Non-stoppin'

I'm kinda hot
Hey come and see
You don't have to be told
I've got a dance degree
I'm always smokin'
I don't be jokin'
I'll leave you chokin'
I say ooh, all I wanna know is

Ooh, you, all I wanna know is
Can-u-dance
Ooh, you, all I wanna know is
Can-u-dance

Ooh, do it like this, ooh

Good god!

Now I'm a stone cold rocker from the deele y'all
No jivin'
What I need is someone to get the feel y'all

And ride it
I wanna block you in a corner

Make your temperature a little warmer
Now do you think that you can hang
I'll work you hard 'til you think you're in a tank girl
With no goggles

I'm kinda hot
Hey come and see
You don't have to be told
I've got a dance degree
I don't be jokin'
I'm always smokin'
I'll leave you chokin'
I say ooh, all I wanna know is
